

The Original and True Rheims New Testament

We are pleased to offer the original and true Rheims New Testament, published by the English College in Rheims in 1582, and the original and true Douay Old Testament, published at the English College in Douay in 1609 (Genesis through Job) and 1610 (Psalms through IV Esdras).

Those found possessing the Douay Rheims Bible in England had their property confiscated and were either given prison sentences or death after torture.

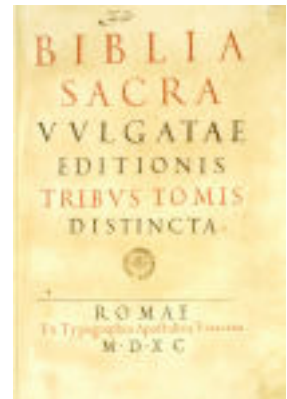

“to be ignorant of the Scripture is not to know Christ.”

St. Jerome

The original & true Douay Rheims Bible is the English translation of the Latin Vulgate of St. Jerome of A.D. 385; making it the most trustworthy Bible available to students, scholars, and individual Christians.

"Lost" for some 423 years (1582 Rheims), and almost 400 years as the entire Bible, due to the only print editions being in old English script, Dr. William G. von Peters has transliterated the text into modern English.

The copious marginal notes and voluminous annotations make it a superb study bible. It contains references from the Apostles, Fathers of the Church, Councils and Saints.
